

Make a C2EA Sign!!

We are planning on carrying signs at our **Friday, September 30 Batavia gathering** at Speaker of the House Denny Hastert's office and also on **Saturday, October 1 at our AIDS Awareness event**. So please join us in a red t-shirt and your sign!

Sign suggestions—

- **Poster board or heavier paper (about 20 x 30), but any size will do!**
- **Markers (permanent are best) or poster paint.**
- **Colors -- any, as long as they are easily readable!**
- **Write your message with red, black, blue, green, brown, purple --- orange, yellow and similar colors may be hard to read.**
- **In general, simple is best! Signs should be easily readable from a distance.**
- **Signs don't need to be mounted on sticks -- it's fine to carry them.**

Sign Slogans to Use in Batavia at Speaker of the House Denny Hastert's office:

"Speaker: Speak Out on AIDS"

"Denny: Don't Neglect HIV/AIDS"

"Hastert: Help Halt New HIV Infections"

"Kane County: Keeps Counting New Cases of HIV/AIDS"
