After more than 20 years since the onset of the AIDS epidemic, there is still no cure and no vaccine for HIV, the virus that causes AIDS. But our community can heal itself and you can be part of the cure.

By rallying together a group of friends, family, and colleagues to attend *Make a Statement: Design for the Cure*, your combined support will bring us one step closer to a community – and a world – without AIDS. With your *sponsorship* comes a cure... With *you* comes a cure.

Partnering with the AIDS Foundation of Chicago (AFC) Junior Board through the purchase of *Make a Statement: Design for the Cure* Group Sponsorship Package, not only provides you and your guests with substantial event benefits, but also ensures AFC's ability to remain a local and national leader in the fight against HIV/AIDS.
