

2022 Ryan White Care RFP Frequently Asked Questions

Q: During the Letter of Intent (LOI) phase of this opportunity we indicated that we would apply for certain categories. Are we able to apply for additional categories than indicated in the LOI?

A: Yes.

Q: If I am applying for multiple non-medical case management categories (example peer and retention specialist), or multiple medical case management categories (example medical benefits and medical case manager), how many times should I submit these sections.?

A: You only have to submit section 9 once for medical case management and once for non-medical case management. Agencies will receive a score based on service category, and medical case management is one category and non-medical case management is another category. Other case management categories include corrections and perinatal.

Q: Is non-medical case management only funded by Part B

A: Yes. AFC is not the administer for the Part A non-medical case management.

Q: Appendix 4 ask for Resumes and Job Descriptions for Key Staff. Do you want this for all medical staff and other licensed staff as well?

A: No, you may submit proof of licensure and other professional certifications for all medical and other licensed staff.
