

## SAMPLE PHONE CALL TALKING POINTS – HIV FUNDING CUTS

# HAD ENOUGH?

CHANGE  
THE STORY.

“Hi, my name is \_\_\_\_\_, and I am calling from [CITY] to urge Senator **OR** Representative [NAME] to find funding to reverse the proposed \$4 million dollar or 14% cut in HIV funding.

These cuts will result in new HIV infections and could threaten the health and well-being of thousands of Illinoisans living with HIV/AIDS.

I hope that Senator **OR** Representative [NAME] will consider the needs of thousands of Illinoisans living with or at risk of contracting HIV/AIDS and oppose the \$4 million dollar or 14% cut in HIV funding.

Thank you!”
